# SAT PREP Course

This class provides comprehensive SAT instruction guaranteed to improve your child's score. On the first day of class a practice test will be given and based on the results your child will receive a customized SAT Manual designed specifically to improve performance in areas of weakness. Your child will receive instruction that is tailored to their exact needs. Our top tier teachers all scored high on the SAT or ACT. Additionally, they have experience working with children who have learning disabilities including ADD, ADHD, dyslexia and others. Using our proven techniques most students improve their score 100 points or more.
